Sir,

Relating to the conduct of elections for returning members to the Representative Assembly and the Legislative Council from the urban constituency of the Bangalore City, I have the honour to inform you that for the convenience of elections, it is considered necessary to hold ~~the~~ elections in seventeen important centres in the City as per list enclosed and that the Municipal Council have at their meeting held on 4th December 1926 approved of the same. A copy of the resolution is enclosed.

Thus services of seventeen Officers are necessary to conduct elections in the above said polling stations. Under Rule 2 of the Rules relating to the conduct of elections in Urban Constituencies, the polling officer shall be the President, Vice President or Chief Officer, as the case may be. It is proposed to appoint the Health Officer, Municipal Engineer, Revenue Manager, and Octroi Inspector for this duty. Still 13 more officers will be required. I request that you will be so good as to depute 13 officers of the Government for this work and move the Government to modify the rules accordingly.

With regard to associating the non-officials with the polling officers, I shall request such of the Municipal Councillors who may have no interest in the elections to help me in the matter.

REPRESENTATIVE ASSEMBLY AND LEGISLATIVE COUNCIL

To

Dear Mr. Ranga Rao,

In connection with the elections to the Legislative Council and Representative Assembly to be held on the 12th March 1927, ~~in the Mysore City~~ there are as many as 4,285 voters in the Mysore City as published in our electoral roll.

In accordance with the instructions conveyed in your letter No.Rel.68-78/R.A.6-27-2 dated 16th August 1926, a Polling booth has to be provided for every 500 voters. You will thus see that at least eight polling officers for the Assembly and eight for the Council are required.

There are only four officers, viz., Vice President, Municipal Engineer, Health Officer and Revenue Offiver, available in the Municipality for the purpose. As the elections are to be held simultaneously throughout the State, the local Revenue Officers will not be available. Several of the Municipal Councillors are likely to stand either for the Assembly or the Council and it does not seem desirable to depend upon their help.

I would therefore suggest that necessary instructions may kindly be issued to the Chief Engineer and the Inspector General of Education ~~Bangalore~~ to place at my disposal the services of as many local officers of their Departments as would be required by me.

Yours sincerely,

Balla Rao

To

Secretary to Government of Mysore,
Representative Assembly ~~*Department,*~~ *Bangalore.*
and Legislative Council,

SIR,

I have the honor to state that for the ensuing elections to the Representative Assembly and the Legislative Council the services of the marginally noted officers in the District will be required as Polling Officers during the time of election. Sanction of ~~of~~ Government may kindly be obtained in the matter and communicated to the respective Heads of Departments for information and issue of necessary instructions to their subordinate officers in the matter.

4 Special Magistrates in the District.
3 Assistant Engineers of the Division.
1 District Forest Officer, Kolar.
1. District Inspector of Education, Kolar.
4 Assistant Inspectors of Education, Kolar.
2 Head Masters of Kolar & Chikballapur High Schools,
1 Head Master, Normal School, Kolar.
2 Agricultural Inspectors,
Excise & Co-operative Inspectors,
Head Masters of Anglo-Hindustani and Anglo-vernacular Schools.
Sericultural Inspector.

2. Orders had been issued to the officers of the District who prepared electoral rolls for the Urban and Rural Constituencies, to select suitable polling Centres, bearing in mind the instructions of Government that for every 500 voters or thereabouts one centre be arranged to avoid undue prolongation of polling &c. Reports from all have not yet been received. However on rough calculation with the help of the printed lists of voters there may be 65 centres for the successful conduct of elections. The number of officers now readily available for polling purposes is 34 in the District including ---

(6

Masters of High and Normal Schools (3). If the services of the Sub Registrars and the Taluk Sheristedars are to be availed of the total number available will then be 34 plus 19 or 53, and even then about twelve more officers will be required to make up 65. A separate communication will be made for the use of the services of Medical and Police officers in case such a contingency arises after consulting the Amildars and ascertaining the exact number of Polling centres to be fixed, even though their services ought not to be indented upon as per Government orders. I request you will kindly obtain sanction of Government for selecting Sub Registrars and Taluk -- Sheristedars and Police Inspectors in case of dire necessity.

3. As regards the voting boxes and locks &c., that will be required for the purpose, I have to state that excluding the boxes available in the District not less than 56 more boxes may be required to be supplied to all the centres. The boxes which have already been used for District Board elections will not be available at the time of Representative Assembly and Legislative Council elections as three months will not have expired on the 12th March 1927 from the 20th December 1926 the date of the District Board election. I request therefore that you will be kind enough to obtain sanction of Government to place at my disposal a sum of Rs. 360/- to meet the incidental expenses.

Very early orders are solicited.
